-FOR IMMEDIATE RELEASE-

The San Miguel County Board of County Commissioners and San Miguel County Fire Department would like to inform all citizens that effective immediately all Fireworks are banned within County of San Miguel. This statement comes after a release from the National Forest Service stating that they are implementing Stage I Fire Restrictions which prohibit the use of Fireworks. These restrictions are being implemented due to the high winds, warm temperatures and dry conditions and will be in effect until further notice from the San Miguel County Commission and San Miguel County Fire Department. If anyone has any questions about the restrictions they can call the San Miguel County Fire Department at (505) 425-2855.
